The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Blakely Borough Police Department Technology Upgrades project in Fiscal Year 2027. The entity to receive funding for this project is the Blakely Borough Police Department, located at 1439 Main St, Peckville, PA 18542. The funding would be used to modernize critical technology and equipment necessary for effective public safety operations.

The project is an appropriate use of taxpayer funds because this technology will enhance officer safety, improve response capabilities, and ensure the department can meet modern policing standards while effectively protecting the Blakely Borough community.

The project has a federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.  
Member of Congress
