Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Dallas Area Municipal Authority Wastewater Infrastructure Expansion in Fiscal Year 2026. The entity to receive funding for this project is located at 101 Memorial Highway Shavertown, PA 18708. The funding would be used to repair, construct, and expand wastewater infrastructure of three municipal authorities: Harvey's Lake, Dallas Area, and Wyoming Valley Sanitary Authorities. The project is an appropriate use of taxpayer funds because it will implement a redundant system to transfer wastewater under the Susquehanna River, highly limiting the risk of a catastrophic health and biohazard situation.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
