The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Fort Jenkins Bridge Replacement on State Route 11 (Exeter Avenue) over State Route 2037. The entity to receive funding for this project is Pennsylvania Department of Transportation, located at 400 North Street, Harrisburg, PA 17120. The funding would be used for the construction phase of the Fort Jenkins Bridge Replacement, that includes a new, modern, and resilient structure that restores full connectivity across the Susquehanna River and supports multimodal transportation and freight movement.

The project is an appropriate use of taxpayer funds because it replaces a structurally deficient bridge. This initiative will revitalize a critical transportation and freight corridor in the region, enhancing economic connections to major business and logistics centers.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
