The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Butler Township Public Works and Municipal Garage project in Fiscal Year 2027. The entity to receive funding for this project is Butler Township, located at 83 Corporate Drive, Drums, PA 18222. The funding would be used for the construction of a new garage to consolidate public works operations into a modern, safe, and efficient facility.

The project is an appropriate use of taxpayer funds because it will be essential to sustaining reliable public services, safeguarding valuable equipment, and strengthening community safety. By providing modern public works operations, the project ensures faster emergency response, improved infrastructure maintenance, and long-term protection of taxpayer-funded assets.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
