The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Greater Pittston Regional Ambulance Operations Construction project in Fiscal Year 2027. The entity to receive funding for this project is the City of Pittston, located at 35 Broad Street Pittston, PA 18640. The funding would be used to complete the second stage of renovations to the headquarters facility of the Greater Pittston Regional Ambulance and Rescue Service Association (GPRA).

The project is an appropriate use of taxpayer funds because, as the only advanced life support provider in Luzerne County, GPRA requires modern and functional facilities to meet growing demand and ensure the delivery of high-quality emergency medical services to the 14 communities it serves. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
