Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Kingston Municipal Police Department Equipment and Technology Upgrades in Fiscal Year 2026. The entity to receive funding for this project is Municipality of Kingston, located at 500 Wyoming Avenue Kingston, PA 18704. The funding would be used for upgrading equipment and technology to increase officer safety and the effectiveness of law enforcement operations in the township of Kingston. The project is an appropriate use of taxpayer funds because it will increase public safety, officer safety, and operational effectiveness of the Kingston Police Department.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.  
Member of Congress
