Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Monroe County Wastewater Treatment project in Fiscal Year 2026. The entity to receive funding for this project is Monroe County, located at 1 Quaker Plaza Stroudsburg, PA 18360. The funding would be used for the relocation and construction of a new wastewater treatment facility. The project is an appropriate use of taxpayer funds because it will replace the existing facility, which is at the end of its operational life, and bring more reliable and efficient wastewater infrastructure to Monroe County and its residents.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
