The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Moses Taylor Hospital Women's Imaging and Breast Care Center project in Fiscal Year 2027. The entity to receive funding for this project is Lackawanna County, located at 123 Wyoming Avenue in Scranton, PA 18503. The funding would be used to establish a comprehensive women's imaging and breast care center serving Lackawanna County and the surrounding Northeastern Pennsylvania community.

The project is an appropriate use of taxpayer funds because the center will expand access to screening, diagnostic imaging, biopsy, and surgical localization services in one location to improve early detection, reduced wait times, and reducing travel burdens for patients. The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
