Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for SR 6 Over Wallenpaupack Creek Bridge in Fiscal Year 2026. The entity to receive funding for this project is Pennsylvania Department of Transportation, located at 55 Keystone Industrial Park Dunmore, PA 18512. The funding would be used rehabilitate the bridge on State Route 6 (G.A.R. Highway) that spans over Wallenpaupack Creek in Pike and Wayne Counties. Specifically, the funding would allow for the deck rehabilitation of two structures on SR 6 over Wallenpaupack Creek and PP and L Flume, including such activities as substructure repairs, deck preservation, abutment repairs, and expansion joint replacements. The project is an appropriate use of taxpayer funds because it will extend the life of the bridge and ensure safe travel for the 9,766 vehicles using the bridge each day.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
