The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the West Scranton Intermediate School Multi-Purpose Facility project in Fiscal Year 2027. The entity to receive funding for this project is the Scranton City School District, located at 425 N. Washington Avenue in Scranton, PA 18503. The funding would be used for the construction of a safe, ADA-compliant, facility capable of supporting year-round use at the West Scranton Intermediate School.

The project is an appropriate use of taxpayer funds because it will serve over 9,400 students, address critical facility deficiencies, and strengthen the school district's capacity to deliver required physical education programming and school-based activities in a centralized, dependable environment. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.  
Member of Congress
