Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Scranton Police Department Equipment and Technology Upgrades in Fiscal Year 2026. The entity to receive funding for this project is Scranton Police Department, located at 100 S. Washington Avenue Scranton, PA 18503. The funding would be used for upgrading equipment and modernizing technology to increase officer safety and the effectiveness of law enforcement operations in the City of Scranton. The project is an appropriate use of taxpayer funds because it will enable Scranton Police Department to sustain current operational capabilities and meet involving challenges to ensure the safety and confidence of the community it serves.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.  
Member of Congress
