The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Five Points Roundabout Conversion Project in Fiscal Year 2027. The entity to receive funding for this project is Stroudsburg Borough, located at 700 Sarah Street, Stroudsburg, PA 18360. The funding would be used for the conversion of the Five Points intersection into a single-lane roundabout, including roadway reconfiguration, pedestrian safety improvements, and traffic control upgrades within the existing right-of-way.

The project is an appropriate use of taxpayer funds because it improves a critical transportation hub by reducing congestion, enhancing traffic flow, and increasing safety for drivers and pedestrians, while supporting regional mobility and economic activity in downtown Stroudsburg and the broader Pocono region.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
