The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the West Side Regional Police Department Construction project in Fiscal Year 2027. The entity to receive funding for this project is the West Side Regional Police Department, located at 228 Jackson Street in Larksville, PA 18704. The funding would be used for the site development and construction necessary to establish a permanent, centralized headquarters for the West Side Regional Police Department. to improve operational efficiency, officer safety, and emergency response for the communities of Edwardsville and Larksville.

The project is an appropriate use of taxpayer funds because it removes a long-standing lighted and unsafe property and consolidates public safety services to support cost-effective regional policing for the participating boroughs.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.
Member of Congress
