The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Winona Falls Road Bridge Replacement in Fiscal Year 2027. The entity to receive funding for this project is Pike County, located at 506 Broad Street, Milford, PA 18337. The funding would be used for the replacement of the Winona Falls Road County Bridge to restore full load capacity and ensure safe passage for emergency vehicles and daily traffic.

The project is an appropriate use of taxpayer funds because it addresses a critical transportation corridor that is essential for daily travel, regional connectivity, and emergency response, restoring safe and reliable access for residents, commuters, and first responders in Monroe and Pike Counties while preventing further deterioration and more costly long-term repairs.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rob Bresnahan, Jr.  
Member of Congress
